

UNSCENTED

FOR REMOVING ODOURS IN AND AROUND THE HOUSE

ECOHOME

NATURAL ODOUR NEUTRALIZER

EcoHome breaks down the odour molecules in the air in a natural way, making the smell disappear instead of a scent to cover up. EcoHome is ideal for eliminating food smells, stench of pets, odours in the kitchen, baby room, garden and toilet. EcoHome does not irritate and does not cause allergic reactions. EcoHome is produced by harmless vegetable proteins, which are dissolved in water. EcoHome is safe in the direct proximity of humans, animals and food.

INSTRUCTIONS FOR USE

Remove source of odour first. Spray generously in space and/or directly on the source. If any odour remains, repeat treatment.

ICON EXPLANATION

Pump several times with cap in order to build up pressure and cap decrease spraying.

COMPOSITION

Water, complex of organic vegetable enzymes, surface activated substances derived from grains, citric acid, Polyalcohols, perfume, CPC
