ECOPET

ECOLOGIC ODOUR & STAIN REMOVER

EcoPet odour & stain remover is a bio-spray which removes unpleasant smells in places where your pet visit frequently, such as; the litter box, dog basket, rodent cages, etc. Unlike the ordinary "air freshener", EcoPet removes the unwanted odour instead of masking it. EcoPet also removes the spots of feces and/or vomit from e.g. carpets, blankets, textiles, etc.

INSTRUCTIONS FOR USE

ODOUR - Remove source of odour first. Spray generously in space and/or directly on the source. If any odour remains, repeat treatment.
STAIN - Spray on the stain, leave it on for 1 minute and just clean it with a dry cloth.
